**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-8 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of recode either singularly or in combination failed to anticipate or render obvious the limitations of forming electrical circuitry on the first face of the organic dielectric sheet extending onto the sheet overlying the support member planar regions and connecting a multilayer circuitized laminate structure having second circuitry on an opposite face connected to a ball grid array structure as required by claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
